Farmingville, NY - On January 10, Councilman Kevin LaValle attended the Grand Re-Opening of the Sky Tan tanning salon in Selden. The salon, which originally opened on November 11, 2013, was in business only 42 days when an arsonist set fire to the shopping center, gutting the salon and another business. The owners vowed to rebuild and after a year, the salon is back in business.

Councilman LaValle said, "After being faced with such a devastating loss, I'm happy to welcome Sky Tan back into the Selden community and wish them the best of luck in the future."
